outbound GSE team going to Norway in September 2008

I know your year has not started yet but I am asking for your help. As you know the outbound GSE team my year is going to Norway in September 2008. I am asking you to announce to your clubs that we are looking for a Rotarian leader and team members. As you know this is a four week trip with most expenses paid by Rotary International. Our committee chair is Ed Grimes. He can be reached at 412-921-1325 or E-Mail goodadv@comcast.net. Our goal is to have a team leader in place by Monday April 21, 2008. Please give this your best shot. Thanks Jim Kunkelmann
