Presidents Message

We should always apply the FOUR WAY TEST to our everyday life. The Four Way Test is a way to remind ourselves of how to interact in our professional world as well as our personal lives. All Four points are key to a high-quality well rounded life.

As Rotarians we do many significant things locally and word wide. We accomplish so much together that we could never achieve alone.

The Third question in the Four Way Test is "Will it build good will and better friendship?" This is the question that I have focused most of my decision making on during my term as Club President.

I have pushed you all to aim for perfect attendance and many of you are well on your way to reaching that goal. Perfect Attendance is a source of individual pride. In our club Earl Brown has 30 years Perfect Attendance, that's quite an achievement! In our District 7300 Bob Brindley has 63 years Perfect Attendance. Mr. Brindley wants to maintain his attendance but he needs our help. He is residing in Country Meadows in Bridgeville and his health is preventing him from going to meetings so on Tuesday, January 27 at 7:00PM our club members are going to meet at Country Meadows to do a make up meeting for Bob. Remember the 3rd question in the 4 Way Test "Will it build good will and better friendship?" Please try to join us. For more information call me.

Four Way Test

Is it the Truth?

Is it Fair to All Concerned?

Will it Build Goodwill and Friendship?

Will it be beneficial to All Concerned?

Joe's Jokes by Joe Kulik

A doctor was addressing a large audience at a conference.

"The materials we eat are enough to have killed most of us sitting here years ago. Red meat is awful. Soda corrodes your stomach lining.

"But there is one thing that is the most dangerous of all and we've all eaten it or will eat it.

"Can anyone here tell me what food it is that causes the most grief and suffering for years after eating it?"

After several seconds of quiet, Joe raised his hand. "Wedding cake, right?"

A man and his wife were having an argument about who

should brew the coffee each morning.

The wife said, "You should do it because you get up first,

and then we don't have to wait as long to get our coffee.

The husband said, "You are in charge of cooking around here and you should do it, because that is your job, and I can just wait for my coffee."

Wife replies, "No, you should do it, and beside s, it is in the Bible that the

man should do the coffee."

Husband replies, "I can't believe that, show me."

So she fetched the Bible, and opened the New Testament and showed him at the top of several pages, that it indeed says .

"HEBREWS"

God may have created man before woman, but there is always a rough draft before the masterpiece.
