Presidents Message

I would like to thank all of our members who participated in last weekends bowling event. This has been a great traditional and believe or not it was our 10th year doing this fundraiser. Crafton-Ingram Lanes has been a great venue for this event and we look forward to holding our October outing there.

We have a busy few months on the horizon and would like to see all of our members get involved with the upcoming events—Polka Party, Steak N Ale, Gerry Dulac Golf. We have a successful year so far, and lets continue the great traditions of this club.

Joe's Jokes by Joe Kulik

Two Polish hunters from New Jersey hired a pilot to fly them to Canada to hunt moose. They bagged four.

As they started loading the plane for the return trip home, the pilot tells them the plane can take only two moose.

The two Poles objected strongly, stating, "Last year we shot four moose, and the pilot let us put them all on board, and he had the same plane as yours."

Reluctantly, the pilot gave in and all four were loaded..

Unfortunately, even at full power, the little plane couldn't handle the load and crashed a few minutes after take-off.

Climbing out of the wreck, Stanislaw asked Wladek, "Any idea where we are?"

Wladek replied, "I think we're pretty close to where we crashed last year."

One day at a Lamaze class, the instructor was teaching pregnant women how to breathe properly and informing their partners how to give the necessary support. "Ladies, exercise is good for you," the instructor said. "Walking is especially beneficial. And gentlemen, you should take the time to walk with your partner!" The room got very quiet. Finally, Sam, sitting in the middle of the group, raised his hand.

"Yes?" asked the teacher

"uh, is it okay if she carries a golf bag while we are taking this walk?"
